This service is separate from your health plan's network and may not be available in all areas or under all plans. Not all providers have video chat capabilities and video chat may not be available in all areas. A primary care provider referral is not required. See your plan materials for costs and details of coverage, including other virtual care benefits that may be available under your specific health plan.

4. The Cigna Center of Excellence designation is a partial assessment of quality and cost-efficiency and should not be the only basis for decision-making (as such measures have a risk of error). Individuals are encouraged to consider all relevant factors and talk with their physician about selecting a health care facility. Quality designations and ratings found in Cigna's online provider directories are not a guarantee of the quality of care that will be provided to individual patients.
5. Employee assistance program services are in addition to, not instead of, your health plan benefits. These services are separate from your health plan benefits and do not provide reimbursement for financial losses. Customers are required to pay the entire discounted charge for any discounted legal and/or financial services. Legal consultations related to employment matters are excluded. Additional restrictions may apply. Program availability may vary by plan type and location, and are not available where prohibited by law.
6. Customers under age 13 (and/or their parent/guardian) will not be able to register at myCigna.com.
